### **Reasons for Allowance**

The following is an examiner's statement of reasons for allowance:

The previously withdrawn method claims have been rejoined.

The claims are allowable over the cited prior art because the prior art does not teach, disclose nor make obvious the claimed composition comprising specific salt of florfenicol i.e. florfenicol butyrate and a pharmaceutically acceptable solvent set forth in claim 34.

Applicants' declaration showing unexpected result of only florfenicol butyrate showing superior pharmacokinetic profile compared with other salts of florfenicol such as acetate and hexanoate is persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jennifer Kim whose telephone number is 571-272-0628. The examiner can normally be reached on Monday through Friday 6:30 am to 3 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sreenivasan Padmanabhan can be reached on 571-272-0629. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
